# FOR MORE

Meet the all New **TUNLAND E+**, the all round on steroids. Its unmatched power, highest ground clearance and most considerable loading deck come backed up by 148hp engine at 3600RPM. There is just no match to it; come see for yourself.

## For More **Offroading**

TUNLAND E+ just gets better with 4X4 wheel drive that awakens the beast and can seamlessly handle not only the streets but also rules any off-road.

## For More **Carrying Capacity**

Tunland E+ comes with a bigger loading deck equipped with 4-cylinder engine with 148 horsepower to ensure any delivery can be done in any terrain.

## For More **Pull**

Steep roads are fun with TUNLAND E+ with a 4-cylinder engine with 148 horsepower and six-speed manual transmission that offers everything you need.

## For More **Style**

TUNLAND E+ is a head turner that steals all the limelight with an extra touch of finishing and menacing stance, unlike anything else on the road.

## For More **Performance**

TUNLAND E+ is a beast unleashed with a MAX Torque of 320 NM @1800-3000 RPM that keeps up with the pace and helps to conquer any terrain with ease. It's an engineering prodigy.

## For More **Power**

Rev-match your heartbeat to the beast under the hood. Hit the gas and happily lose the fight between your chest and the seatback. Then do it again and again. The TUNLAND E+ is—by far—the most powerful pickup ever conceived.
